

# ProCold Product Competition

*Professional and Commercial Refrigeration Equipment*

**– Checklist and Final Declaration –**

## Checklist

Please use this checklist to ensure that you have acknowledged / provided all the information concerning this competition.

1. I have carefully read the “ProCold Product Competition Rules”
2. I have carefully filled in one “Submission Form” for the submitted product
3. I have provided one full test report for the submitted product  
*(detailed requirements c.f. “Submission Form”)*
4. I have provided at least one product photo for the submitted product  
*(detailed requirements c.f. “Submission Form”)*
5. I have signed and provided one “Final Declaration” for the submitted product

Please submit each product separately!

For each product, please return one e-mail including the following attachments:

- one Submission Form (filled-in digitally and saved by adding your individual reference ID to the file name);
- one full test report;
- one or more product photo(s);
- one printed, signed and scanned “Final Declaration” (next page).

This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No 649293. The sole responsibility for the content of this document lies with the authors. It does not necessarily reflect the opinion of the European Union. Neither the EASME nor the European Commission are responsible for any use that may be made of the information contained therein.

Reference ID: .....

Please add your individual reference ID as defined in the "Submission Form".

## Final Declaration

Please sign the printed "Final Declaration". Please return as scan by e-mail, fax or by regular mail (contact details below).

With my signature below, I declare that

- the information provided in the submission form and on this form is true and correct;
- I have read, understood and accept the competition rules;
- in case our submitted product is the top-performing or second best performing product in its category, an appliance of the type and configuration submitted to the competition will be made available to an internationally recognised test laboratory upon request, free of charge and other costs, at own risk and all shipping (incl. take back) costs covered by the submitting organisation. We allow for the free selection of an appliance from assembly line or warehouse by a ProCold representative or designated laboratory representative. The laboratory will perform an independent control test and calculation of EEI. The testing laboratory will be designated by ProCold and the direct testing costs borne by the ProCold Consortium;
- the designated appliance will be made available to the laboratory within 8 business days upon request;
- I own the rights to and agree with the further use of the product photo(s) for the topten lists and ProCold promotional purposes.
